This form has to be filled in by the diver with the highest qualification level, who will be the only responsible for his/her club or group and for the organisation of their dives. He/she commits to organise the dive/buddy groups in compliance with the rules of his/her federation.

He/she will present his/her diver card or any evidence of his/her qualification to the person in charge of the dive centre, and leave his/her divebook in a case, he/she will take it back only when he/she is sure that all divers of his/her group are out of the water.

He/she also commits to respect the internal rules of the dive centre "Croisette" and to have them respected by all members of his/her group.

The divers commit to respect the rules of their own federation.

Divers are not allowed to take anything of whatsoever out of the water nor to scribble graffiti on the walls.

No one may have access to the pontoon if not equipped with a diving suit.

We recommend the presence of safety divers on the diving platform as long as there are divers under the water.

The recycling teams, rebreathers (CCR) must register on the pontoon to warn the safety squad and erase their names at the exit of the water.
